Docket No. 98N-1265

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I wholeheartedly object to any government
Bureau telling me how to take care of my
health. The medicines I have been getting
from Madison Women's Health has been a
great help to me and I do not want
to be without it. It is naturally a very
good medication. Please do not put
this Pharmacy into jeopardy. Thank you.
